ESSENTIAL DUTIES AND RESPONSIBILITIES include the following:

- Read, understand, and interpret engineering drawings and complex blueprints for Stamping, 4-Slide, Auto-Clip, and Davenport.
- Inspect paperwork for complete and accurate information.
- Determine from various sources inspection and customer requirements.
- Inspect products using precision measuring tools.
- Inspect first article/setup and production parts throughout the production process ensuring customer specifications are being met.
- Perform with great attention to detail.
- Meet productivity and quality goals.
- Adapt to changing priorities.
- Add, subtract, multiply, and divide quickly and accurately.
- Apply mechanical knowledge to trouble shoot and problem solve.
- Perform inspection procedures, including Fit Bike Receiving and Assembly.
- Prepare inspection reports.

- Working knowledge of Microsoft computer applications and the ability to learn other software applications.
- Perform appropriate transactions in ERP system efficiently and correctly.
- Comply with ISO/AS9100 standards.

QUALIFICATIONS:

- Must be at least 18 years old.
- Must have computer knowledge and experience.
- High School diploma/GED or equivalent combination of education and experience.
- The ability to read, write and speak the English language with comprehension skills sufficient to understand safety standards and job performance expectations.
- Ability to add, subtract, multiply, and divide in all units of measure, using whole numbers, common fractions, and decimals.
- Ability to interpret instructions which may be furnished in written, oral, diagram or schedule form. Strong problem solving skills.
- While performing the duties of this job, the employee is regularly required to sit and stand; use hands to finger, handle, or grab; reach with hands and arms; and talk and hear. The employee is frequently required to lift and/or move 10 pounds and occasionally lift and/or move up to 50 pounds. Specific vision abilities required by this job include close vision, distance vision, depth perception and the ability to adjust focus.
- While performing the duties of this job the employee is subject to inside environmental conditions and regularly exposed to loud noise and may also have air and/or skin exposure to oils and other cutting fluids. Must wear steel-toe shoes/boots and other personal protective equipment such as hearing protection when required.
- The noise level in the environment is quiet to loud.
